

## Bongala

You represent Bongoland, a remote and isolated community.

Below is a list of commodities you produce and need in order to have a balanced economy

Due to your geographic location, you have no option but to negotiate with your only near neighbour, Twitala, to obtain the commodities you need, and to offload those of which you have a surplus.

Commodity	Available	Needed
Copper	10	12
Timber	20	7
Brainpower	15	9
Insurance	4	10
Shipping	12	10
Bricks	6	14
Oil*	5	11
Electricity	3	9
Cereals	16	3
Meat*	10	16

Your success will be measured in the following way. You will be awarded:

1 point for each unit *needed* of a commodity gained.

1 point for each unit *surplus* of a commodity offloaded.

2 bonus points for each commodity when your needs are balanced by availability.

3 points for each unit obtained of the most important commodities marked with an asterisk.

*Minus* 1 point for each minute or part thereof of negotiating time.

Negotiating starts when the umpire signals, and ends when both parties have initialled a note of the agreed exchange quantities.
